KROHNE

 measure the facts

KROHNE is an innovative process instrumentation and measurement solutions company operating in more than 40 countries. Through continuous research and development and a consistent customer orientation, we are one of the leaders in our industry. KROHNE Inc. headquartered in Beverly, MA covers the United States, Canada, Mexico, and the Caribbean regions through a vast network of direct sales personnel and representative partners.

KROHNE Inc. is looking for a

Project Manager - Beverly, MA

We are currently looking for a person to join us in **Administration** at our Beverly location. This person will work directly with the management team to organize, coordinate, and prioritize on projects that are in line with the achievement of the KROHNE or business general objectives or goals.

Essential Duties and Responsibilities include the following. Other duties may be assigned.

- Responsible for coordinating KROHNE resources and vendors for the smooth execution of the project(s)
- Ensure that KROHNE project(s) are delivered on time and within the budget and scope
- Responsible for the development of a detailed project plan to monitor project progress
- Responsible for developing project(s) objectives and scopes, involving all relevant stakeholders and also ensuring technical feasibility of the project(s)
- Responsible for managing the changes in project scope, schedule, and cost
- Measure project performance using the appropriate tools and techniques
- Perform risk management analysis in order to minimize project risk
- Create and maintain project documentation
- Responsible for managing the relationship with project sponsor and stakeholders
- Identify and lead projects that will help the overall efficiency and continuous improvement of the KROHNE organization
- Act as project resource and contributor when necessary or individual skills are required
- Contributes to change management and communication strategies as it relates to KROHNE organizational and project changes

KEY PERFORMANCE INDICATORS

- Independently manage organizational projects through to completion
- Be a valued partner in the KROHNE organization, viewed as a “go to person” for help getting things done well
- Improve overall KROHNE communication practices as it related to changes in organization and process changes

Education and Experience

Bachelor's or Associate's degree in Business or Engineering is preferred. Work experience may be substituted for a Bachelor's degree. Has or is working towards Certified Associate in Project Management (CAPM) or Project Management Professional (PMP) certification.
