KROHNE

 measure the facts

KROHNE is an innovative process instrumentation and measurement solutions company operating in more than 40 countries. Through continuous research and development and a consistent customer orientation, we are one of the leaders in our industry. We supply instrumentation for a wide range of industries, including energy and renewable energy, power generation, pharmaceutical, chemical, food, and beverage.

KROHNE Italia SRL is looking for a

Inside Sales Engineer

Krohne Italia SRL, part of KROHNE Group, is looking for a new employee that will be added to the Internal Sales Team.

Your main function:

The new employee will take in charge the request of quotations received from the customers, select the proper technical solution and prepare the technical and commercial proposals selecting within the KROHNE portfolio the suitable instruments to be proposed. She/he will be also involved in the commercial negotiation with the customer together with the Sales Area Manager that has in charge the direct contact with the client.

Your key responsibilities:

- Quotation Management
- Solution Selection
- Commercial Negotiation

Your qualifications:

- Technical Background
- Predisposition for teamworking
- Proactivity
- Priority Management

We offer:

- A competitive remuneration package in line with the candidate's experience and skills.
- Employee Development: KROHNE ITALIA invests in personnel growth through courses and training, including webinars, factory visits, and support from experienced colleagues.
- Work Location: The office is situated in Pregnana Milanese, near Milan and 250 metres from the train station, with direct trains to Milan every 30 minutes.

If interested, please send your CV with a covering letter stating your salary requirements to:
