

Checklist - Supplier self-registration

To be prepared for our supplier self-registration please read following information.

1. NDA
Our NDA can be downloaded during registration process. Please subscribe and upload the file.
2. Code of Conduct – COC
Our COC can be downloaded during registration process. Acceptance will be requested.
3. Company presentation
Please upload your company presentation
4. Line card
Please upload your line card if your company is a distributor of electronic components.
5. Certifications
Please upload your current certifications like ISO 9001, TS 16949, ISO 14001, ISO 45001...
6. Contact information
Please enter the contact information of responsible contacts in your company. E.g. General Manager, Sales Manager, Quality Manager, Quality Assurance...
7. Registration questions
During registration process you must answer additional questions about your company. Please answer as detailed as possible. There might be also questions which don't fit to your company. These must not be answered.
8. Overview – What we need
Please find below an overview of our needed commodity groups. If your products fit to our commodity groups, you are welcome to start with our supplier self-registration.

Overview – What we need

Cluster	Statistic Group	Description	Beschreibung
	B01000	Bar Material	Halbzeuge - Stabstahl
	B02000	Tubes	Halbzeuge - Rohre
	B03000	Sheet Metal	Halbzeuge - Bleche
	B04000	Plastics - semi-finished prod.	Halbzeuge - Kunststoffe
	B05000	Semi-finished products - misc.	Halbzeuge - Sonstige
	B06000	Flanges	Flansche
	B07000	Turned/Milled Parts	Dreh- und Frästeile
	B08000	Sheet metal parts	Blechteile
	B09000	Castings	Gussprodukte
	B10000	Mechanical Products	Mechanische Produkte
	B11000	Plastic parts	Kunststoffteile
	B12000	Seals	Dichtungen
	B13000	Standard Connection Parts	Norm- und Verbindungsteile
	B14000	Tubing Accessories	Rohrzubehör
	B15000	Glass / Ceramics	Glas- / Keramikprodukte
	B16000	Temperature Components	Temperatur Komponenten
	B17000	Electromechanical Parts	Elektromechanische Bauelemente
		B18000	Sensors
B19000		Active electronic components	Aktive Bauelemente
B20000		Passive electronic components	Passive Bauelemente
B21000		Displays	Displays
B22000		Printed Circuit Boards	Leiterplatten
B23000		Transformers	Transformatoren
B24000		Cables / Lines / Sleeves	Kabel-Leitungen-Schläuche
B25000		Auxiliary/Operating Materials	Hilfs- und Betriebsstoffe
B26000		Packaging material	Verpackungen
B27000		Printing material	Druckmaterialien
B28000		Hardware / Software	Hardware / Software
B29000		Commodities	Handelswaren
B30000	External Services	Externe Dienstleistungen	
	B31000	Indirect Material / Services	Indirektes Material / Services

	Semi-finished products	Halbzeuge
	Mechanical parts & components	Mechanische Teile und Komponenten
	Electronical parts & components	Elektronische Teile und Komponenten
	Other - Direct material & services	Weitere - Direkte Materialien / Services
	Indirect Material / Services	Indirekte Materialien / Services
